

B2B E-list System Guidelines and Open House Luncheon Information

The Aspen Board of Realtors® E-lists are e-mail lists which our members subscribe to for the benefit of marketing their listings to other Brokers. These Broker to Broker (b2b) e-mails allow our members to communicate professionally with each other on listings, rental properties and other real estate related topics. This system is designed to be maintained by the individual members. Each member can subscribe, unsubscribe, and update their address through Memberclicks. In order to send e-mails, you must be subscribed to the service. Your email address will not be exposed to anyone other than the Board Staff. **By subscribing to the e-list system you agree to the following:**
